

# AI Bootcamp for Kids

Join us this June!

## AI Adventures: Holiday Camp for Young Explorers

Silicon-Valley's Most-loved Kids Program - Now in Singapore

June Holiday Camp

For Kids 4 - 7 Years Old

Camps run between 2 - 27 June

Session Timings: 9am - 12pm, 1 - 4pm

This June, give your child a head start in the world of technology! Our AI Holiday Camp introduces young minds to the exciting world of Artificial Intelligence through hands-on activities, games, and storytelling. No prior experience needed - just curiosity, imagination, and come ready to have lots of fun!

## Discover a World Powered by AI

*"Children who learn early about how AI works - not just to use it but to create with it - will have an incredible advantage in the world they're growing up into."*

Jensen Huang, CEO of NVIDIA

Interact first-hand with professional AI technologies

Deep dive into a field of interest and create their first AI projects

Develop problem-solving abilities with age-appropriate challenges

Unlock imagination and creativity through play and hands-on activities
